This statue, located at the center of our Meditation garden, was donated by Dr. Jean Pitarin in memory of her brother, Gilbert Pitarin.

Nearly 2000 animals come through our doors each year: mostly dogs and cats, but also rabbits, hamsters, gerbils, goats, pigs, chickens and whatever other creatures find themselves in need of temporary safe shelter. It is our goal to ensure that every adoptable animal that we welcome finds a loving home (or is returned to the one he or she has temporarily lost)

Our new shelter is conveniently located on Ventura Drive, off Faunce Corner Road. We are a non-profit organization. We receive no government funding and adoption fees only cover a fraction of our operating expenses. Without your generosity and support, the shelter cannot meet its goal of providing humane care for the region's unwanted and abandoned animals.

With your help we can ensure that every adoptable animal finds a safe and loving home.

Thank You for Your Support!
